```c
#include <stdio.h>

int main(){

    char str1[25] = "Hello ESC";
    char str2[2] = "Nice meeting you";
    char str3[3] = "Well Goodbye!";

    printf("%s\n",str1);
    printf("%s\n",str2);
    printf("%s\n",str3);

    return 0;
}
```
